## PROJECTS

**Meal-Matcher** | Github: <https://bit.ly/3m7QCs3> | Link: <https://bit.ly/3447iLb>

- Meal Matcher is a recipe book that searches for recipes from the MealDB recipe API based on the ingredients a user searches. Users can then save and remove recipes from their recipe book.
- **Role:** Wireframing design, Developing Javascript functions, implementing CSS layout
- **Tools Used:** Javascript(ES6), Materialize, Bootstrap, HTML, CSS

**HotelMotel** | Github: <https://bit.ly/2W6u54E> | Link: <https://bit.ly/37WMfLs>

- Hotel Motel is a property management application designed specifically for smaller boutique style hotels. This application allows hotel employees to create reservations easily all with a couple clicks.
- **Role:** Wireframing design, Developing Javascript functions, implementing CSS layout, Developing Sequelize database, and creating HTML/API routes
- **Tools Used:** Javascript(ES6), Materialize, HTML, Sequelize, Express-handlebars, Vanta.js, Express

**Pandemic Tracker** | Github: <https://bit.ly/3a3pQ1W> | Link: <https://bit.ly/3442mpm>

- Pandemic Tracker allows users to observe real time global data of the COVID-19 virus. With Pandemic Tracker users can keep up with news and explore global coronavirus numbers all on an interactive UI.
- **Role:** Mongoose data seeding, front-end splash page design, site navigation, and API calls
- **Tools Used:** React Globe, MERN, Bootstrap, React Particles, and Axios

## EXPERIENCE

### Ski Technician

2019 – 2020

**One Stop Ski Shop;** Steamboat Springs, Colorado

Collaborated with a team to drive marketing initiatives. Managed data, monetary gains, and customer information.

- Generated \$100,000.00+ in revenue for the holiday season by leveraging early reservations.
- Increased web revenue in and out of ski season by revamping user experience on the company website.
- Improved efficiency by expediting the rental process through implementation of an ipad based rental.

### Server

2018 – 2019

**Grimaldis Pizzeria;** Brookfield, Wisconsin

Coordinated with a team to optimize the dining experience, managed revenue, and mentored trainees.

- Promoted from host to desired position as a server within three weeks of employment.

### Head Counselor

2017– 2020

**Gold Arrow Camp;** Lakeshore, California

Oversaw team members and campers. Administered scheduling and communicated with parents and counselors.

- Acquired a promotion from Group Counselor to Head Counselor in the 2018 summer season.
- Served as the leader in implementing Mental Health Certification for all Group Counselors in 2019.
